REPORT OF OFFENDER NON-COMPLIANCE

NON-COMPLIANCE SUMMARY

The purpose of this report is to advise the Court of an alleged violation of the terms of supervision. The Probation Officer has developed a plan to dispose of the alleged non-compliance with action less than revocation, and the Court is requested to approve the plan to address the non-compliance.

- 1. ILLICIT DRUG USE: 04-03-06 - THC**
- 2. NEW LAW VIOLATIONS**

Details of alleged non-compliance: On December 12, 2005, the probationer was issued a court citation for violation of California Welfare and Institution Code Section 10980(C)(2) - Receiving Aid by False Statement, a misdemeanor. On January 27, 2006, the probationer appeared in Kern County Superior Court on case number BM684002A and entered a plea of nolo contendere.

The probationer was sentenced to three years court probation, 30 days custody, and \$2,453 restitution. She is also disqualified from receiving cash aid or food stamps for six months.

Furthermore, on April 4, 2006, the probationer submitted a urine sample which returned positive for THC.

United States Probation Officer Plan/Justification: The probationer is currently residing at the Turning Point Community Corrections Center for a period of 120 days as a result of earlier positive and missed urine tests. It is hopeful she will avail herself to the opportunities such as drug counseling, parenting classes and obtain full time employment while at the program. The probationer has also been advised that any further violations
